

WANGARATTA LIVESTOCK EXCHANGE

April 2016 NEWSLETTER

OUR NEW ROOF

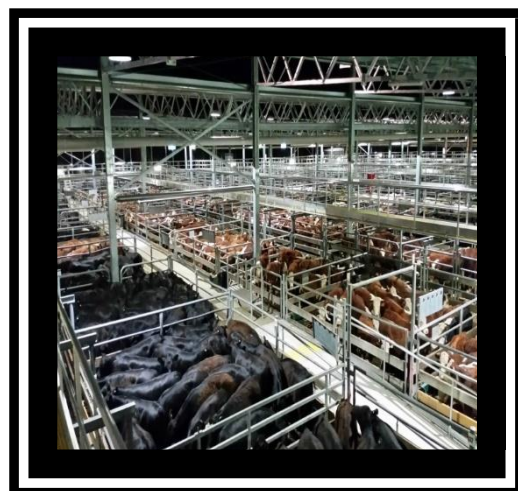

Most of you regulars to our yards have seen the benefits from completion of the new roof. Browns Wangaratta began the build in February 2015 and it was completed just in time for our Blue Ribbon Weaner sale on 5 February 2016.

Not only was there a roof over all cattle yards including holding pens, the yards gained another 12 selling pens, 20 double selling pens that can be opened for larger lots and soft floor to all pens, including delivery pens.

Three large water tanks were installed to catch water for the truck wash, troughs and wash down of scales. Most of the building went smoothly considering the loss of a third of the yards at each stage during construction. Thank you to all involved and our regular clients who supported us and continued to sell their cattle through the construction here at the Wangaratta Saleyards.
