## Wangaratta Fat Cattle Market Report

238

-49

Another light yarding of only 238 head came forward at the Wangaratta Livestock Exchange. This was 49 less than last week and comprised of 199 young cattle, 37 cows and 2 bulls.

There were very few bullocks and steers penned and a sprinkling of heifers and the vealers on offer were of excellent quality. Only 37 cows were penned.

There were too few steers to quote while heifers rose by 5 cents. The penning of vealers were of good quality and sold to a strong demand to be fully 5 cents above dearer rates of last week. Cows remained fully firm.
