

Mayor's Message ▶

The Rural City of Wangaratta's Draft Municipal Public Health and Wellbeing Plan is currently on public exhibition.

This means now is the time to have a say on this important document.

To help people learn more about what's in the plan and how it works, Council is hosting a consultation session on Thursday, 7 September at 5pm at the Council Chambers

Health agencies will be attending but members of the public are invited to come along as well.

The draft plan includes statistics that illustrate exactly why a plan of action is needed.

The more input is received into this plan, then the more Council and other agencies can do to promote a healthy and active community.

Meet the Mayor Sessions are held on the last Wednesday of each month from 9am – 12 noon at the Wangaratta Government Centre.

• Mayor Ken Clarke OAM
