

## ► MAYOR'S MESSAGE

In my first Mayor's Message for 2018 I'd like to wish the community a Happy New Year. I had the pleasure of attending Wangaratta's New Year's Eve celebrations in Apex Park and was impressed by the excellent fireworks display. The thousands of people in attendance would have had a great night to farewell 2017 and welcome 2018. This is shaping up as a positive year for Wangaratta, with plenty of projects underway.

• Mayor Ken Clarke OAM

The North Wangaratta Recreation Reserve remediation works began this week, in what will be a big relief to the football and netball club. An estimated 1,200m<sup>3</sup> of contaminated soil is being taken to the adjacent gun club, where it will be stockpiled in a contained facility. Following this round of works Council will award a contract for the new surface and other associated works at the reserve. The sooner we can get the club using the facility, the better.

• Mayor Ken Clarke OAM
