### **Air Traffic Control**

No formal air traffic control exists at Wangaratta. All traffic is required to operate under Common Traffic Advisory Frequency (CTAF) Frequency for CTAF 119.1

### **Runways**

Runway 18/36 is sealed and is 1640 meters in length with pilot activated lights (PAL) for night landing. Frequency for PAL is 119.20 or manual. Runway 09/27 is grass and is 530 meters in length. This runway may be closed due to wet conditions. (Check NOTAM for availability.)

### **Taxiways**

Two 15 metre wide taxiways provide access from the Regular Public Transport (RPT) and General Aviation (GA) Aprons.

### **Regular Public Transport Apron**

The RPT apron servicing the terminal building comprises of a flexible pavement with a sprayed seal surface. The apron is approximately 150 metres long and varies between 30 and 45 metres wide. There are no marked parking positions on the apron, and aircraft normally park parallel with the building line.

### **General Aviation Apron**

The main General Aviation Apron is situated directly north of the RPT Apron and has a sealed surface in front of two hangars and the **Wangaratta Aero Club**. It has a grassed surface towards the 18/36 Runway where light aircraft park. Further light aircraft parking with tie downs on grass area north of the light aircraft hangars.

### **Joy or Charter Flights / Pilot Training**

The Wangaratta Aero Club provides a base for pilots and interested aviators at the Wangaratta Aerodrome. No General Aviation (GA) Training is available at this time but Recreational Aviation (RA) training is available. For further information contact the Aero Club:

Phone: (03) 5721 3845, Mobile: 0427 221106

email: [terry@neglass.com.au](mailto:terry@neglass.com.au)

### **Terminal Facility**

The terminal facility includes public toilets. No public phone exists at the terminal. External public toilets are available 24hrs - 7 days a week. The Terminal facility is available for function hires. For further information contact the Rural City of Wangaratta on (03) 5722 0888 during business hours, or email [council@wangaratta.vic.gov.au](mailto:council@wangaratta.vic.gov.au)

### **Emergency Operations**

The Rural City of Wangaratta is pleased to be able to utilise the aerodrome facilities for use by the Emergency Services.

Rural Ambulance Victoria utilise the aerodrome on a regular basis to transport patients in the air ambulance.

The Aerodrome also plays a major role for the fire services of DELWP and CFA as a training ground and also a base for fire bombing and fire spotting aircraft.

### **Fuel**

SkyFuel Avgas and JetA1 is available 24 hrs.

Self-serve pumps activated by Visa, MasterCard and SkyFuel Card.

For further information contact Rob on mobile 0418 862 100 or 0417 780 280
