Please note

This guide provides information to help you locate the most appropriate and convenient parking spaces available around the centre of Wangaratta.

28 SEPTEMBER 2017

Wangaratta offers an extensive range of parking spaces. Time limits indicated aim to manage the availability of parking spaces for your convenience.

Motorists should check signs closely to ensure compliance and avoid the possibility of infringement notices.

Designated Accessible Parking areas are set aside as a convenience to motorists who have a current disability parking permit. These parking bays are available to meet the needs of these individuals.

Loading Zones are provided to aid access for deliveries and pick ups. Business names must be clearly and permanently displayed on either side of your vehicle to use these zones.
