Are you passionate about working with children?

Would you like to work from home while providing quality childcare?

Benefits of becoming a Family Day Care Educator:
- Flexible hours
- Work from your own home
- Care for your own children while working
- Potential of good hourly income
- Make the decisions on how you achieve the educational program and set up your environment

What is required to be a Family Day Care Educator?
- Minimum of Certificate III in Education and Care (or equivalent, or be actively studying)
- Working With Children Check
- Current Criminal History Report
- First Aid Qualifications
- Australian Business Number (ABN) (Educators are contracted and operate as small business for tax purposes)
- Record keeping skills
- A home that allows for children to have some indoor and outdoor play space, meal area and quiet area for rest.

Contact Wangaratta Family Day Care if you are interested in becoming an Educator and would like more information.
