Gardening for Wildlife

Sunday 4 June 2023

Join Greta Valley Landcare Group and Rural City of Wangaratta for a workshop with local experts to learn how to create a garden that both you and our local wildlife will love. With a full day program available from **9:30am-3:30pm** on **Sunday 4 June 2023** participants can choose to come along for the morning or afternoon session or the whole day with lunch and refreshments supplied.

Morning session includes:

- designing and planting gardens to attract wildlife with Sue Brunskill
- building cat enclosures to protect wildlife and keep your cat safe and healthy with Dee Nuttall
- exploring the special birds and mammals in our area with Jim Blackney, including how to use nest boxes to provide wildlife habitat.

Afternoon session includes:

- a hands on session with Karen Retra on how to attract pollinating insects to your garden
- propagating native plants with Andie Guerin from the Regent Honeyeater Project.

Places are limited so bookings are essential. Tickets are \$5 for each session. Book online here, <https://events.humanitix.com/gardening-for-wildlife-gvlg> or via 5722 0888 or environment@wangaratta.vic.gov.au

This project is supported by the Goulburn Broken Catchment Management Authority through funding from the Australian Government's National Landcare Program.

Inclusive Wangaratta Working Group

If you're passionate about inclusiveness and want to make a real difference in your community - then this is your chance to join a working group who are making things happen! The Inclusive Wangaratta Working Group is currently being built to help work through new projects that matter to you. The anticipated time commitment will be:

- June 2023 - Review of draft policy prior to the brainstorming session.
- July 2023 - Attendance at one of 2 hour in-person brain-storming session.
- August 2023 - Review of the revised policy before being presented to Council
- In addition the working group will have regular meetings every two months.
