INTRODUCTION

Purpose of this Domestic Animal Management Plan

Councils in Victoria are required under Section 68A of the Domestic Animals Act 1994 (“the Act”) to prepare and implement a Domestic Animal Management Plan (the “Plan”) at four-year intervals with the objective of outlining Council’s plans for animal management. The Plan is sent to Animal Welfare Victoria part of Agriculture Victoria.

The purpose of the “Plan” is to:

- Document programs and strategies that will assist the Rural City of Wangaratta to meet its animal management responsibilities;
- Assist pet owners to increase their knowledge of responsible pet ownership, community safety and awareness;
- Maximise the number of cats and dogs registered within the municipality; and
- Comply with the relevant provisions of the Act.

DOMESTIC ANIMAL MANAGEMENT PLANS

Under **Section 68A of the Act**, every Council must prepare a Domestic Animal Management Plan, as follows:

Every Council must, in consultation with the Secretary, Agriculture Victoria, prepare at 4-year intervals, a Domestic Animal Management “Plan”.

A Domestic Animal Management Plan prepared by a Council must:

- Set out a method for evaluating whether the animal control services provided by Council in its municipal district are adequate to give effect to the requirements of the Domestic Animals Act 1994 and the Domestic Animals Regulations 2015;
- Outline programs for the training of authorised officers to ensure that they can properly administer and enforce the requirements of the Act in the Council's municipal district; and
- Outline programs, services and strategies which the Council intends to pursue in its municipal district—
 - to promote and encourage the responsible ownership of dogs and cats; and
 - to ensure that people comply with the Act, the Regulations and any related legislation; and
 - to minimise the risk of attacks by dogs on people and animals;
 - to address any over-population and high euthanasia rates for dogs and cats; and
 - to encourage the registration and identification of dogs and cats; and
 - to minimise the potential for dogs and cats to create a nuisance; and
 - to effectively identify all dangerous dogs, menacing dogs and restricted breed dogs in that district and to ensure that those dogs are kept in compliance with the Act and the Regulations; and
- Provide for the review of existing orders made under the Act and local laws that relate to the Council's municipal district with a view to determining whether further orders or local laws dealing with the management of dogs and cats in the municipal district are desirable; and
- Provide for the review of any other matters related to the management of dogs and cats in the Council's municipal district that it thinks necessary; and

- Provide for the periodic evaluation of any program, service, strategy or review outlined under the “Plan”.

Every Council must:

Review its “Plan” annually and, if appropriate, amend the “Plan”; and provide the Secretary with a copy of the “Plan” and any amendments to the “Plan”; and publish an evaluation of its implementation of the “Plan” in its annual report.

RURAL CITY OF WANGARATTA PROFILES

Demographic and Council Profile

The Rural City of Wangaratta is located in north east Victoria, with a total population of approximately *29,660 residents. The Rural City covers an area of 3,644 sq. km.

The municipality has experienced continuing growth in retail and tourism sectors and is widely recognised as one of Victoria's most progressive provincial centres. The region is famous for world class wine and gourmet food and is the gateway to Victoria's major ski fields. With its spectacular scenery, the region is viewed by tourists as the 'hub' from which to explore North East Victoria and Southern New South Wales.

Wangaratta is a leading regional centre providing a range of services for all age groups. The Rural City of Wangaratta provides strong recreational, commercial, educational, tourism and health facilities, including regional private and public hospitals. It has diverse industry and economic stability and is the regional headquarters for several state government agencies. The main employment sectors are in the manufacturing, trades, retail, agriculture and health and community service industries.

DOMESTIC ANIMAL STATISTICS AND DATA

Category	2018/19	2019/20	2020/21
Dogs			
Number Registered	3399	3606	4444
Cats			
Number Registered	1147	1191	1482

As per the above table, the municipality is currently in a good position in relation to animal registrations. The rate of animals registered has increased over the past three financial years. This may be attributed to an increase in public education as well as the introduction of reminder messages being sent to mobiles along with pro-active registration follow-up.

ANIMAL MANAGEMENT STAFFING AND STRUCTURE

COMMUNITY COMPLIANCE TEAM OVERVIEW

Services provided to the community relating to Animal Management

The Community Compliance team is responsible for the animal management function provided by council. Key activities include:

- impounding of domestic animals and livestock;
- managing of complaints relating to domestic animals and livestock;
- promoting responsible pet ownership in the community;
- investigating dog attacks;
- ensuring compliance with legislation and the various codes of practice relevant to domestic animals and livestock;
- domestic animal registration process;
- investigating animal welfare issues;
- management of domestic animal businesses;
- providing advice to owners and the general community in relation to domestic animals;
- after hours animal emergencies; and
- prosecute breaches of the Domestic Animals Act 1994, Impounding of Livestock Act 1994 and Prevention of Cruelty to Animals Act 1986.

Wangaratta Rural City Council's Local Laws relating to Animal Management

The relevant extract of Local Law 1 of 2018 is found in appendix 1 and relates to all aspects of animal management in municipality. This includes limits on the number of animals that can be kept, the general keeping of animals (animal welfare) and fencing.

TRAINING OF AUTHORISED OFFICERS

Current and Planned Training

A variety of training is offered and provided for all Authorised Officers. Training options are annually reviewed to ensure relevant and up to date material is provided.

The training options include animal handling courses, investigation and statement taking courses, prosecution courses, information technology courses and industry related seminars, conferences and briefings from the Agriculture Victoria, Municipal Association of Victoria (MAV), Australian Institute of Animal Management (AIAM) and other relevant associations

Objective 1:

Develop and maintain a training register for individual officers detailing completed and proposed training to maintain skills and knowledge

Activity	When	Evaluation
Record each officer's name, completed training, along with proposed additional training opportunities in the HR training database	March 2022 and ongoing	Annually review, to ensure accuracy and to determine whether proposed training goals have been met for each Officer. This is achieved through Council's annual review process

<p>Staff attendance at industry related seminars and training, such as:</p> <ul style="list-style-type: none"> • Breed Identification • Department of Agriculture/ Animal Welfare Victoria Seminars • Dog Bite Minimization & Bite Stick Training 	<p>As offered</p>	<p>Review attendance against individual officer's training record</p>
--	-------------------	---

REGISTRATION AND IDENTIFICATION

All dogs and cats over the age of 3 months must be registered with the municipality as per Section 10 (1) of "The Act". All animals must also be microchipped before registration can be accepted by Council.

New animal registrations for cats and dogs can be made in person at Council's Customer Service Centre between 8.30am – 5pm Monday – Friday or by mail with the appropriate payment and copies of relevant proof required to: Rural City of Wangaratta, PO Box 238, Wangaratta VIC 3677.

Registration forms can be downloaded online from Council's website <http://www.wangaratta.vic.gov.au> or collected from the Council's Customer Service Centre.

Council has a contract with the RSPCA to provide pound facilities. Animals that are not registered and not micro-chipped must be micro-chipped at the RSPCA pound prior to registration along with release of the animal when the appropriate fee has been paid by the owner.

Under Section 11 of “The Act”, animal registration periods expire on 9 April each year. Animal renewal notices are sent out every year in late February or early March, allowing pet owners to renew their animal’s registration via the internet or in person. The Council audits the registration renewal process every year to ensure animal registrations are renewed. The RSPCA pound also take registrations from members of the public on an ad hoc basis (walk-ins off the street).

Animals found unsecured or ‘at large’ from their property that are identifiable by means of a microchip, council registration and an allocated Council identification tag have a higher chance of being reunited with their owners. When dogs and cats are outside of the owner’s premises, Council identification tags must be worn as required under Section 20 of the Act.

The registration of animals provides the Rural City of Wangaratta with an understanding of the level of pet ownership in the community and in turn this helps Council plan for services, information and programs associated with pets in particular areas of the community.

Registration fees help fund the services provided by the Council in relation to animal management and the Animal Welfare Victoria’s responsible pet ownership campaigns and programs that are available within the municipality.

Council has entered into agreements under Section 84Y of “The Act” with all veterinary practices within the Municipality which allows for the veterinary surgery to scan animals for microchips and return the animals to their owners. Vets then notify council of the returned animals. Enquiries regarding animal registrations are then followed up by Authorised Officers at a later date.

Current and Education Activities

Current education/promotion of registration and identification activities include:

- publicising the requirement to register pets over the age of three months in the Wangaratta Chronicle, Wangaratta Rural City Community Connect, social media and the Council's on hold phone messages;
- animal registration renewal notices are mailed out in late February or early March each year for currently registered animals;
- pro-active registration door knocks take place following the registration period;
- council lifetime identification tags are obtained by pet owners on payment of the relevant registration fee; and
- brochures included in newly registered animal notices provide information regarding the importance and requirements of registration.

Current Compliance Activities

Current compliance activities for registration and identification include:

- SMS messaging to all non-renewed domestic animals advising of expiry of registration and possible penalties for failing to renew registration;
- "Warm" calling of non-renewed domestic animals with payment taken over the phone and advising of possible infringements if not renewed by certain date;
- door knock targeting properties with no animals registered to identify any unregistered animals at the premises;
- door knock audit conducted each year for animal registrations that have lapsed;
- ensuring impounded and unregistered animals are micro-chipped and registered prior to release;

- issuing notices and /or infringements for animals found unregistered and wandering at large;
- prosecuting owners of unregistered animals where infringements remain unpaid, and animals remain unregistered;
- investigating Domestic Animal Business (DAB) notifications of animals being sold or given away to residents in the municipality without a “Source” number;

Summary

The number of unregistered animals that enter the RSPCA pound is still of a high rate, which suggests a large number of unregistered animals exist within the municipality.

The Council is currently collecting data from the RSPCA to determine the percentage of unregistered animals impounded and from where the owner resides. Such data will allow the Council to focus on education and compliance activities in the locations where higher rates of unregistered animals are found. These activities will include annual municipality wide door knocking of premises.

Our Plans

Objective 1:

To decrease / minimise the total number of properties required for the annual door knock audit.

Activity	When	Evaluation
Educate residents of the animal registration renewal period by means of advertising/media releases, mailing of renewal notices and by placing A Frame signs in areas where high levels of un-registered animals are kept	March to May Annually	Review media release types available each year to determine most effective advertising
Ensure each property is audited and infringements issued where animals found to be unregistered	July to August Annually	Record total number of properties visited and infringements issued and compare to previous results
Ensure animal registrations have been renewed and infringements paid. Lodge unpaid infringements with Fines Victoria or Magistrates Court	September to October Annually	Record total number of infringements unpaid and animal registrations still unregistered and compare to previous results
Seize animals still found to be unregistered where matter found proven in Court or infringement unpaid	Month after the Date	Provide media releases to send the strong message for responsible pet ownership and compliance
Mail out of infringements for failing to renew animal registrations where animals are not departed or deceased on council database following mail out of registration renewal notices	May and throughout the year	Review of numbers of animals registered compared against infringements issued for failing to renew registration

Objective 2:

Maintain or increase dog and cat registrations

Activity	When	Evaluation
Ensure all seized and impounded animals are registered to their owner prior to release	Prior to every release	Review annual registration numbers. Review number of dogs and cats being seized and impounded who are not registered to their owner
Proactive door knocking in areas believed to have high number of unregistered animals via impound stats, to check for unregistered and un-identified dogs and cats Effective advertising prior to audit	Annually	Review annual increase in registration numbers. Review number of dogs and cats being seized and impounded who are not registered to their owner
Compare council animal database against lists of microchipped animals supplied by licensed database registries	Annually	Review annual list of animals microchipped to Wangaratta address
Conduct "warm" calling of all owners of animals with contact numbers to accept payment over phone and advise of infringements if not renewed by 1 July	Annually	Review annual registration numbers for comparison against outstanding registrations
Distribute SMS messages to all outstanding domestic animal registrations advising of expiry of registration and possible issuing of infringements	Annually	Review annual registration numbers for comparison against outstanding registrations

NUISANCE

Current Situation

Type of Nuisance	2018/2019	2019/2020	2019/2020
No. of barking dog complaints received	51	61	63
No. of cat traps hired	155	95	120

Council currently has 15 traps available for hire by the community. All traps are out on loan at any one time unless council officers are undertaking community cat trapping program to reduce feral cat numbers in identified problem areas

Legislation/Local Law Overview

The Act regulates the dog and cat nuisance issues relating to noise, trespassing and wandering animals. In addition to the Act, the Local Law (No. 1 of 2018) helps to minimise nuisances occurring as outlined below.

Local Laws Relating to nuisance

Local Law No. 1 of 2018 – Community Amenity (and the supporting Local Laws Policies) outlines the requirements for the keeping of animals in residential areas and restricts both the number and type of animals that a resident can keep on a residential property without a permit. (Refer Appendix 1).

This includes requirements regarding animal accommodation and the need for an owner or occupier of land to ensure that all animals on that land are housed in a clean, inoffensive and sanitary condition.

Council Policies for nuisance complaints

Barking Dogs

The Council acknowledges the impact barking dogs have on the lifestyles of residents and is continually seeking ways to shorten the barking resolution process. Officers consider the barking dog procedure to be a living document and they continually seek ways to improve processes. Council has trialled electronic barking monitors with varying success and will seek to improve on evidence gathering to reduce the onus on residents. Electronic devices somewhat achieve this and have resulted in successful remediation in a couple of cases. Council also has a standard operating procedure for barking dog complaints to ensure all complaints received are handled in the same consistent manner by all Authorised Officers. The procedure steps out the required processes involved to investigate the complaint, liaise with the dog owner and surrounding neighbours. This process also involves the requirement of the complainant to agree to attend the Magistrates Court to give evidence of the alleged offence, as well as contacting the Dispute Settlement Centre Victoria in the first instance to attempt mediation prior to council involvement.

Where nuisances are found to be proven pursuant to Section 32 of the Act, the Council can issue notices to the dog owner to abate the nuisance, issue infringements and/or have the matter heard in the Magistrate's Court to seek an order from the Court for the owner to abate the nuisance.

Cats and Dogs at Large

The Community Compliance Team have developed a Domestic Animal Procedure for dealing with domestic animals found at large. In circumstances where repeat offences for roaming/trespassing cats/dogs are found and the issuing of infringements and relevant impound release fees have not encouraged the pet owner to adequately secure the cat or dog to its property, Council will consider withdrawing Infringements to instead pursue the matter in the Magistrates' Court. This may result in a Court Order to require the owner to carry out works to ensure the animal is not able to escape from the owner's premises.

During the Covid-19 outbreak Council has been trialling dog cages at veterinary practices. Dogs that are found by the community are able to take the dog to the veterinary practice, place the dog in the secure cage and contact authorised officers. This has enabled contact free dog drop off and collection.

Current Education/Promotion Activities relating to nuisance animals

- Providing barking dog information kits.
- Providing information relating to building cat enclosures.
- Information provided on the Council's website.
- Providing information brochures from Animal Welfare Victoria to the public.
- Articles in the Wangaratta Chronicle, Council website and social media.
- Encouraging the de-sexing of cats and dogs to reduce wandering and creating a nuisance.
- Encouraging dog owners to seek advice from professional dog trainers and trial barking dog citronella collars.

Current Compliance Activities relating to nuisance animals

- Investigating nuisance complaints in a timely manner to ensure minimal timeframes.
- Sending out barking dog formal complaint statements and barking dog log sheets with Statutory Declarations attached.
- Trial electronic bark detection and recording devices to speed up the resolution of barking dog complaints.
- Report outcomes of prosecutions when appropriate regarding each area of nuisance to local media to raise awareness in the community of the benefits of preventing dog and cat nuisance.
- Issuing notices to comply, notices of objection, infringements where necessary and taking the matter to the Magistrates' Court.
- Providing cat traps to residents.

Summary

In order to reduce animal nuisance problems in the community, the Council will continue promoting and providing education and compliance activities while striving to improve the activities and identify/trial new initiatives.

Council will continue the cat trapping program to ensure the program is promoted efficiently and provides assistance to residents and continue media releases relating to the Council's stance on compliance with nuisance type complaints.

Our Plans

Objective 1:

Investigate a cat curfew.

Activity	When	Evaluation
Investigate potential of introducing a cat curfew.	2023	Review what other councils have in place

Objective 2:

Decrease the timeframe of barking dog investigations from point of lodgement to resolution.

Activity	When	Evaluation
Implement online Barking Dog Policy to encourage complainants to utilize digital means of lodging concerns	2022	Review complaints annually to evaluate percentage of complaints lodged online rather than paper versions
Investigate the use of electronic bark recording and monitoring devices	2022	Review data supplied by device against complainant provided barking diaries. Assess if sufficient evidence to undertake enforcement action via infringements or court action.
Use barking dog Standard Operating Procedure (SOP) and review and update as required.	Ongoing	Review complaints to ensure SOPs were followed.

DOG ATTACKS

Current data

Authorised Council Officers investigate dog attack reports thoroughly. Evidence pertaining to the incident is collated to formulate a prosecution brief. This includes taking statements from all parties involved, vet/medical reports, photographs and providing a summary with recommendations.

The brief is then reviewed by the Compliance Coordinator who makes further recommendations to the Manager Building, Planning and Compliance Services in order for the Council to decide on an appropriate course of action.

Possible courses of action include:

- infringements (where non-serious injuries sustained);
- menacing/Dangerous Dog Declaration;
- prosecution in Magistrates' Court;
- seek destruction/compensation orders by Magistrates;
- seek surrender of attacking dog;
- seek mediation between parties; and
- obtain a letter of no complaint from the complainant to allow Officers to take no further action.

Where injuries have occurred to a person or another animal by a dog that is of a serious injury (as defined by the Domestic Animals Act 1994), the Council will strive to have the matter heard in the Magistrate's Court if evidence is sufficient to form a prosecution.

Media releases of such results are also used to educate the community and promote responsible pet ownership. Animal registration fees include a subsidy to Agriculture Victoria, which help funds programs such as responsible pet ownership in schools, pre-schools, maternal health centres, hospitals.

Current Education/Promotion Activities

- Reporting outcomes of all dog attack prosecutions to local media to raise awareness in the community of the need to report dog attacks and the Council's action in relation to attacks to promote responsible pet ownership.
- Media releases relating to livestock attacks.
- Providing new residents with animal registration information.
- Promoting the effective confinement and control of dogs.
- Promoting puppy socialisation and obedience training.

Current Compliance Activities

- Investigating dog attacks thoroughly.
- Seizing and holding attacking dogs pending investigation/prosecution ~~at~~
- Providing an after-hours service to respond to reports of aggressive or attacking dogs.
- Prosecuting matters pursuant to the Domestic Animals Act 1994.
- Issuing infringements for wandering dogs.
- Issuing infringements for minor attacks where non serious injury sustained.
- Proactive declarations for Menacing or Dangerous Dogs. Seeking destruction Orders from Magistrates' Court where necessary.
- Seeking confinement Orders from Magistrates' Court for dogs continually found wandering or not confined to property.
- Proactive patrols of parks and streets for wandering dogs.
- Proactive patrols for guard dogs on non-residential premises.
- Recording data of reported dog attacks in the municipality.
- Seizing impounded dogs in circumstances where owners' properties are believed to be unsecure and ensuring animal can be secured prior to the release of the dog back to the owner.

Summary

The Rural City of Wangaratta will continue administering the Act and ensure compliance is met where any breach is detected.

Our Plans

Objective 1:

Provide targeted education and compliance campaigns in areas where data reporting shows higher numbers of dog attack incidents.

Activity	When	Evaluation
Collate and record data for dog attacks reported including date/time, suburb, dog type, dog attack on animal/person, dog unsecured/off lead, dog unregistered, gender	Ongoing	Evaluate data annually to determine areas requiring specific education/compliance activities
Initiate Education/Compliance Activities in the targeted areas to aim to reduce future incidents and to report roaming dogs etc. to prevent attacks occurring	Annually	Evaluate this activity (and overall objective) by comparing number of dog attacks reported to council pre and post campaign

Objective 2:

Implement the requirement to have all dogs on leash in public areas through introduction of Domestic Animals Act 1994 Section 26 (Dog on leash) Order.

Activity	When	Evaluation
Finalising adoption and introduction of Section 26 Order.	2022	On-Leash policy to be endorsed by Council and gazetted, to formalise the policy
Advertise and educate on Councils new On-Leash Policy	Ongoing	Review compliance and feedback

Objective 3:

To minimise the incidence of dog attacks in the community

Activity	When	Evaluation
<p>Providing proactive Education/Compliance Activities in the targeted areas of higher dog attack incidents.</p> <p>Educating key dog attack prevention messages (e.g., confinement of dogs to property, leash laws) through media articles, mail outs, website information.</p> <p>Actively patrol areas for roaming, unsecure and/or unregistered dogs</p>	<p>Ongoing</p>	<p>Compare number of reported dog attack incidents pre and post campaign</p> <p>Consider a community survey pre and post campaign, to measure any changes in knowledge about dog attack prevention</p> <p>Record type and number of education materials distributed.</p> <p>Numbers of campaign patrols conducted. Number of media articles published</p>
<p>Inform the community of outcomes of dog attacks prosecuted in Court.</p>	<p>Ongoing</p>	<p>As occurs</p>
<p>Set key performance indicators for Officers to complete dog attack investigations within a 6-week timeframe</p>	<p>Ongoing</p>	<p>Review complaints annually to evaluate percentage completed within timeframe</p>

DANGEROUS, MENACING AND RESTRICTED BREED DOGS

Current situation – Declared dogs currently registered within the municipality

The Rural City of Wangaratta has the following declared dogs currently registered within the municipality as of 1 July 2021:

Registered restricted breed dogs	0
Registered declared dangerous dogs	0
Registered declared menacing dogs	0

The Act defines restricted breed dogs as any one of the following breeds:

- Japanese Tosa
- Fila Brasileiro
- Dogo Argentino
- Perro de Prasa Canario (or Presa Canario)
- American Pit Bull Terrier (or Pit Bull Terrier)

Owners of restricted breed dogs are required to abide by specific regulations, in particular; secure enclosures, warning signs on premises, having the dog muzzled and on a lead at all times in public, as defined by the Act and the Domestic Animals Regulations 2005 (the Regulations).

Section 34A (a) of the Act states:

A dog is a dangerous dog if—

The dog is kept as a guard dog for the purpose of guarding non-residential premises.

As of July 2021, there are no officially registered “dangerous (guard) dogs” within the Rural City of Wangaratta.

As per **Section 34 (1)** of the Act, a dog may be declared dangerous:

- (a) *If the dog has caused the death or serious injury to a person or animal by biting or attacking that person or animal;*

As of July 2021, there are no declared dangerous dogs in the municipality.

As per **Section 41A (1)** of the Act, a dog may be declared menacing if:

- (a) *the dog has rushed at or chased a person; or*
- (b) *the dog bites any person or animal causing injury to that person or animal that is not in the nature of a serious injury.*

The Council must register all dangerous/menacing/restricted breed dogs with the Victorian Dangerous Dog Register (VDDR). This is a database that records all declared dogs for all relevant parties to see. Any dangerous, menacing and restricted breed dog entered into the VDDR is declared for the life of the animal and cannot be revoked by the Council. Microchip registries are also updated.

As of July 2021, there are no declared menacing or dangerous dogs in the municipality.

Current Education/Promotion Activities

- Promoting the 'Dangerous Dog Hotline' (136 186)
- Media releases relating to legislation/changes/updates
- Media releases relating to differences between Restricted Breed dogs and Dangerous Dogs
- Providing information relating to declared, guard and menacing dogs.

Current Compliance Activities

- Ensuring all declared dogs are registered on the VDDR
- Regularly conducting inspections on premises housing declared dogs to ensure compliance
- Seizing dogs suspected of being Restricted Breed Dogs
- Dog declarations made where applicable
- Prosecution/Infringements issued for any determined breach
- Assessing suspected restricted breed dogs via the gazetted standard
- Flagging certain breeds from registration database for assessment.
- Conduct proactive patrols after hours for unregistered guard dogs (dangerous dogs)

Our Plan

Objective 1:

Ensure declared dogs are compliant to relevant legislation and regulations.

Activity	When	Evaluation
Random property inspections of declared dogs to ensure compliance	Ongoing	Review checklists as occurs
Prosecute repeat offenders or serious breaches detected	As occurs	As occurs
Educate the community about what is a declared dog	Ongoing	Review complaints received

Objective 2:

Flag certain breeds on registration database for restricted breed assessment.

Activity	When	Evaluation
Assess certain breeds with the gazetted standard for potential restricted breed dogs	Ongoing	Number of Restricted Breeds Declared from registration database
Cross reference microchip database information for potential restricted breed dogs requiring assessment	Ongoing	Number of declarations compared to number of assessments

OVERPOPULATION AND HIGH EUTHENASIA

Current situation

Category	2018/2019	2019/2020	2020/2021
Dogs			
Brought in by Council	209	139	133
Brought in by public*	96	90	87
Adopted for the year	54	75	55
Euthanised for the year	22	13	12
Reclaimed for the year	184	132	132

Category	2018/2019	2019/2020	2020/2021
Cats			
Brought in by council	194	177	265
Brought in by public*	251	249	252
Adopted for the year	189	274	221
Euthanised for the year	120	128	201
Reclaimed for the year	64	43	49

*Includes animals surrendered by members of the public

Council is experiencing a large stray cat problem, particularly in relation to rural properties. Pro-active trapping programs at rural locations has seen a large increase in the number of feral cats impounded by council officers and subsequently being euthanised due to health issues and the effects of inbreeding amongst the local population. This has seen an increase in the euthanasia rate amongst cats in the Municipality. While cat euthanasia rates are slightly higher than the average, the

percentage of cats euthanised will continue to be relatively high due to the amount of stray and/or feral cat population which breed out of human control.

Dog euthanasia rates are particularly low due to high rates of dogs being returned to owners and successful re-homing rates. Over the last 3 years there has been a significant rise in the rate of dogs being returned to owners due to more identifiable dogs being impounded such as being micro-chipped and/or wearing Council identification. The increased rate of micro-chipped dogs is mainly due to the amendment to the Domestic Animals Act 1994 in 2007, which required all newly registered cats and dogs to be micro-chipped. In addition, the RSPCA (who manage Council's pound) has a successful re-homing program with cats and dogs.

Current Education/Promotion Activities

- Promoting benefits of de-sexing to decrease wandering animals
- Promoting appropriate pet selection for the owner and accommodation
- Promoting cat enclosures and build your own cat enclosures

Current Compliance Activities

- Cat trapping program - traps are available to all residents within the municipality and are free of charge
- Enforcement of current Legislation in relation to Cats found trespassing
- Investigating unregistered breeding establishments
- Micro-chipping all unregistered impounded animals prior to release to the owner
- Enforcing the Local Laws relating to prescribed number of animals on a property

Our Plans

Objective 1:

Continue encouraging desexing of animals.

Activity	When	Evaluation
Discount registration fees for cats and dogs that are de-sexed to encourage registration of animals over 3 months of age	Ongoing	Number of new animals registered in category each year

Objective 2:

Identify illegally operated Domestic Animal Breeding (DAB) Establishments in the municipality and ensure compliance and/or close down.

Activity	When	Evaluation
Media campaigns to raise awareness of DAB definition and code of practices that must be adhered to	Ongoing	Evaluate number of complaints received and properties identified during inspection or otherwise
Investigate advertisements of pets for sale	Ongoing	Mandatory micro chipping of animals from breeding establishments
Audit DAB's randomly to ensure compliance	Ongoing	Number of audits compared to number of follow ups required

DOMESTIC ANIMAL BUSINESSES

Current Data

In Victoria, the Domestic Animals Act 1994 defines Domestic Animal Businesses as any of the following:

- (a) an animal shelter, Council pound or pet shop; or
- (b) an enterprise which carries out the breeding of dogs (other than GRV greyhounds) to sell, if the enterprise has 3 or more fertile female dogs and the proprietor is not a recreational breeder; or
- (c) an enterprise which carries out the breeding of cats to sell, if the enterprise has 3 or more fertile female cats and the proprietor is not a recreational breeder; or
- (d) an enterprise which trains or boards dogs (other than GRV greyhounds) or cats for the purpose of profit; or
- (e) an enterprise which rears or keeps dogs (other than GRV greyhounds) or cats—
 - i. for the purpose of profit or sale; or
 - ii. for a fee or for exchange of services.

There are currently seven registered domestic animal businesses within the municipality as of July 2021. These include 3 boarding establishments, 3 breeding establishments and Council's contracted animal pound/shelter, namely the RSPCA Wangaratta.

The RSPCA manage the Council animal pound in Wangaratta. The contract for this service is due to expire at the end of 2023. Council will consider in 2022 how the service is to be provided into the future.

Registered domestic animal businesses are audited both randomly and on receipt of complaints.

The Council actively investigates the presence of animal businesses to ensure compliance with the relevant codes of practice and legislation.

Current Education/Promotion Activities

- Providing information to registered domestic animal businesses
- Promoting Animal Welfare Victoria information and codes of practices
- Advertising new legislation amendments

Current Compliance Activities

- Annual audits
- Random audits during peak seasons for particular businesses
- Investigating reports
- Monitoring advertising sites
- Renewal / Registration process
- Inspecting suspected unregistered domestic animal businesses
- Liaising with planning department to ensure planning conditions are adhered to

Objective 1:

Ensure domestic animal businesses are compliant with relevant legislation and codes of practice.

Activity	When	Evaluation
Monitor the Council's registration database for owners with 3 or more fertile females	Ongoing	Compliance with local laws and related legislation
Encourage de-sexing of animals by reducing registration fees for de-sexed animals	Ongoing	Relevant registration accepted
Conduct searches for unregistered domestic animal businesses via internet/media/newspapers	Ongoing	Relevant action taken

EMERGENCIES AND ANIMAL MANAGEMENT

The 2020 bushfires saw an unprecedented need to provide an animal relief centre in the municipality. Council provided this service at the Showgrounds in Wangaratta. This venue facilitated not only the looking after of animals by Council and RSPCA staff but enabled animals to stay with their owners as there were camping and caravanning facilities.

This is an important Council function during emergencies as it promoted and assisted responsible pet ownership. Animals were not left to wonder at large but could remain with their owners or could be cared for by council or RSPCA staff.

Council is now reviewing its Municipal Emergency Animal Welfare Plan to ensure currency with the learnings of the 2020 bushfires and associated animal relief centre provision.

ANNUAL REVIEW OF “PLAN” AND ANNUAL REPORTING

As per 68A (3) of the Act, the Council will review its Domestic Animal Management Plan annually to assess whether any amendments are necessary in order to ensure the Plan is relevant and can be completed within the required timeframes.

In the final year of the Plan (2024), the Council will undertake a major review and prepare the next domestic animal management Plan for the 2025-2028 period.

APPENDIX 1 – Local Law 1 of 2018

PART G – ANIMAL MANAGEMENT
