Major Council Policy Community Impact Statement

Procurement Policy

Council provides the following information to the community in respect of the proposed major council policy.

PART A – General

Background

Council is considering adopting a new major council policy, the Procurement Policy (the policy), that establishes a procurement framework for Council.

Objectives

Section 108 (1) of the Local Government Act 2020 (the Act) requires Council to adopt a Procurement Policy which specifies the principles, processes and procedures applying in respect of the purchase of goods and services by the Council, including for the carrying out of works.

The current policy has been formulated with regard to the Victorian Local Government Best Practice Procurement Guidelines 2013, Municipal Association of Victoria Model Procurement Policy (Updated) August 2011, and the Preface to the New Best Practice Procurement Guidelines.

The objectives of the policy are set out in the draft of the policy. Of particular note is the purpose of the Procurement Framework to achieve value for money and open and fair competition.

PART B – Overall Impact Assessment

The Policy will ensure that all procurement activities are undertaken in a manner which is consistent with the requirements of the Local Government Act 2020.

Measures of success of the policy

The success of the policy will be best measured by the extent to which it improves the efficiency and effectiveness of procurement activities.

Existing legislation that might be used instead

State legislation more appropriate

Risk assessment

The approach addresses the risk that procurement activities may inadvertently breach the Local Government Act 2020.

Legislative approach adopted

The policy operates in conjunction with the relevant sections of the Local Government Act 2020.

Restriction of competition

Council has conducted a review of the policy in accordance with National Competition Principles. The results of that review are attached.

The policy has no National Competition Policy implications.

Penalties

The policy imposes an obligation only on Council itself and therefore no practical sanction can apply.

Permits

The policy does not make provision for the issue of permits.

Fees

The policy does not make provision for the charging of fees.

Comparison with neighbouring and like Councils

The policy is a standard approach as adopted by many Councils. It is based on consultation of other Council's and the proposed new procurement policies in compliance with the Local Government Act 2020.

Charter of Human Rights

Council has assessed the policy for compatibility with the Charter of Human Rights and Responsibilities. A report of this assessment is attached.

The policy is considered to be compatible with the Charter of Human Rights.

Consultation

In accordance with Council's Major Council Policy Consultation Local Law, Council will invite submissions from interested parties.

All submissions requesting changes will be considered by Council prior to the policy being adopted.

Submissions

Submissions are invited from the community in regards to the policy in accordance with clause 7 of the Major Council Policy Consultation Local Law No. 4 of 2015.

A notice to this effect will be advertised in the Chronicle newspaper, and on Council's website, indicating that submissions will be received for 28 days.

Persons making submissions can request an opportunity to address Council. A Special Committee of Council will be established to hear submissions on the policy that request change to the policy following the close of submissions.

Any submissions requesting change to the policy will be considered by Council at the Ordinary Meeting of Council scheduled for Tuesday 25 October 2022. If no submissions requesting change to the policy are received, then Council will adopt the Procurement Policy 2022 without further resolution.

Major Council Policy Human Rights Charter Assessment

Procurement Policy

There are twenty rights listed in the Charter that promote the principles of freedom, respect, equality and dignity. These are listed at the end of this document.
