New bin coming soon.

Purple Bins Are Coming

Purple bins for glass recycling will be rolled out across our community from July. The Victorian Government is standardising household waste and recycling services across the state. All Victorian council kerbside waste services are moving to a 4-bin system. By sorting your glass into a separate bin, you are improving the quality of recyclables so they can more easily be turned into new things and keeping valuable resources out of landfill.

Ovens Street Footpath Partial Closure - Monday 12 May

A partial closure of the footpath on Ovens St, near the corner of Ford St will be necessary to ensure for pedestrian safety. Pedestrians are advised to please avoid the footpath area between 7am - 5pm. Parking bays on Ovens Street won't be affected.
