Wangaratta

# Hello Winter

EVENTS GUIDE 2025

# Hello!

*Hello Winter* is a curation of Council and community events throughout the colder months. It is also a celebration of all that our vibrant community has to offer. From fitness for all abilities to art classes and a fishing competition. Many of these events are free, ensuring that everyone can participate and enjoy our winter calendar.

This year, we're excited to introduce the Rural Community Cinema Program, bringing a cinematic experience to our rural townships through collaborative efforts with local community groups.

I invite you to explore the program, discover new interests, and reconnect with neighbours and friends, both old and new.
